Palm 33

No king succeeds with a big army alone
no warrior wins by brute strength.
Horsepower is not the answer; no one
gets by on muscle alone.

Watch this: God's eye is on those who
respect him, the ones who are looking for
his love. He's ready to come to their
rescue in bad times; in lean times he
keeps body and soul together.

“When you’re on a life raft at sea, it’s much worse than being in a foxhole. They say there’s no such thing as an atheist in a foxhole. Well you can multiply that a few times on a raft. That’s all you do on a raft. I don’t care if you’re an atheist or what you are. When you reach the end of your rope and there’s nowhere else to turn, your atheism isn’t going help you. You’re going to turn and look up. So that’s all we did on the raft was pray morning, noon and night”

“Even before the driver dumped it into the trough, the smell overpowered us and the whole mass seemed to move. In fact, it was moving, it being infested with thousands of maggots... I helped shovel the mess into big soup tureens.

We all got the result, hot, the next morning... The maggots floated lazily on top, as if in their own private swimming pools... Some guys considered the maggots nutritious, guzzled, and threw up.”

“And I will give you a new heart, and a new spirit I will put within you. And I will remove the heart of stone from your flesh and give you a heart of flesh.”

Ez 36

History MAKERS

Under your discipline, my rights, not only as a prisoner of war but also as a human being, were stripped from me. It was a struggle to maintain enough dignity and hope to live until the war's end.

The post-war nightmares caused my life to crumble, but thanks to a confrontation with God through the evangelist Billy Graham, I committed my life to Christ. Love has replaced the hate I had for you. Christ said, "Forgive your enemies and pray for them."
